Name of the University \* :

Scheme of study :

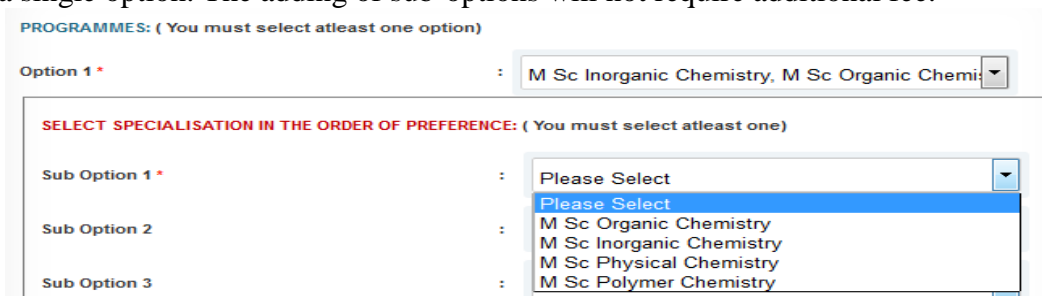

Reg.No and year of Pass :

Number of chances taken for passing the qualifying Examination \* :

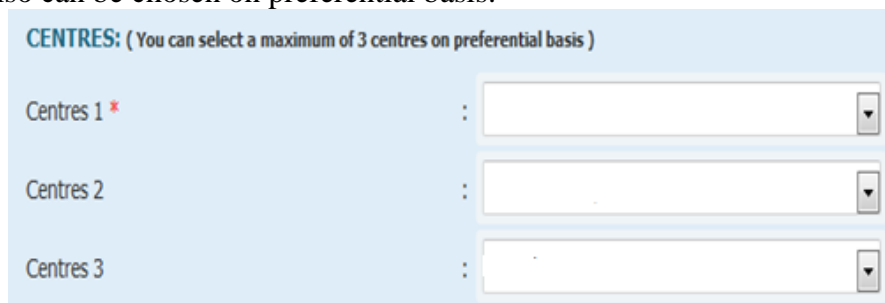

The next step is the selection of the options of your choice (academic programmes) on preferential basis(Read Prospectus carefully for eligibility regarding each programme).

In some cases the candidates have to select the sub options (specializations) also. The candidates can choose any number of sub-options. The sub options under one main option will be considered only as a single option. The adding of sub-options will not require additional fee.

Test centres also can be chosen on preferential basis.

After accepting the terms and conditions you will be shown the details of the registration fee you have to pay.

On clicking the **Pay Now** button you will be guided to the payment gateway. You can use Debit Card/ Cash Card/ATM or Internet Banking for making payment.

Department of Electronics and Information Technology
