From the Vice Chancellor’s Desk

Mahatma Gandhi University, one of the six affiliating universities in Kerala, is the premier educational institution that strives to fulfill the higher educational needs of the people of Central Kerala. Since its founding in 1983, Mahatma Gandhi University has grown to become Kerala’s leading, research-led university, known for excellence in teaching, research, and service to local, national and international communities.

The academic universe of our institution consists of 18 University Schools/Departments, 8 Inter-University Centres, 10 University Centres, and 295 Affiliated Colleges. Our University has more than 2,50,000 students of whom 20,000 are in postgraduate programmes. Our research programmes range across all disciplines and we are leaders in such fields as Nanoscience and Nanotechnology, Environmental Sciences, Social Sciences, Biosciences and International Relations. Interdisciplinary teaching and research have been the University’s first and foremost distinctive feature.

The web-enabled University Library with its large collection of books, journals and e-journals as well as the ‘Online Theses’ and ‘Digital Library’ that provides open access to its collection of digitalized PhD dissertations are some of the notable achievements of our University during the last few years. This is the only University in the country which has made its Doctoral Dissertations Open Source for Worldwide Access. The achievements outlined here have placed the University quite prominently on the national academic map. Today Mahatma Gandhi University is ranked first in the State, third in South India and thirteenth in the whole nation by CSIR in terms of the intellectual productivity of the faculty. NISTADS has ranked the University nineteenth in terms of the h-Index of the Science Faculty.

DST has ranked the University 8th among the 29 Universities with DST recognition under PURSE in the Country. The University has successfully introduced the Choice Based Credit and Semester System (CBCSS) and Grading System in the affiliated colleges; the Kerala State Higher Education Council (KSHEC) cites this as constituting a Model for other Universities in the state. Ours is the only University with software autonomy for computer automation and Campus Area Networking, and the only affiliating University in the Country with a Centralized Admission Procedure (CAP) for admission to both UG and PG Programmes. The UGC cites Mahatma Gandhi University as a national model for New Initiatives. The University is top in bringing Nobel Laureates as Scholars-in-Residence under the Government-sponsored Scheme of ERUDITE.

We have provided the above summary of the major landmarks in the University’s academic progress in the past three years in order to underscore the state of academic vibrancy that exists today in Mahatma Gandhi University. The University is re-accredited with ‘A’ Grade and CGPA 3.24 by NAAC. In the second overall ranking and third sector-wise ranking of the National Institutional Ranking Framework (NIRF) introduced by the Union ministry of human resources development, MG University has made a remarkable stride to the 52nd position this year overall and 34th position among the Universities of the nation. The University has also secured the prestigious Chancellor’s award for the best University in the state in the years 2016 and 2018.

As we look to the future one thing is certain – knowledge will be a key resource and will be highly sought-after in and around the world. It is equally important that we keep close to our wider communities of interest within India and internationally. This will help to ensure the ongoing relevance of our academic programmes and the continued excellence of our teaching, learning and research. The Common Admission Test for admission to various teaching Departments/Schools of the University is conducted to provide admission of the most talented students in the University campus. We provide our students with excellent learning and placement in Indian and global industries. These seats are liable to be shifted to different academic programmes in the Department based on the option of the most eligible candidates in the category.

10.2.1 The selection of candidates under this category will be based on the rank in the inter-se merit list and physical suitability, and not on the basis of the degree of disability.

10.2.2 These candidates will also be considered for the general allotment if no seats are available in the PD quota. For the same reason they should not submit separate application for the general allotment.

10.2.3 No reservation of seats is allowed for Blind candidates for Programmes which come under the Faculties of Science/Technology & Applied Sciences.

10.3 **Special Reservation:** The seats reserved for candidates belonging to the following categories come under this group.

**a. Economically Backward among Forward Communities (EBFC):**
reservation for this category is 7.5% of seats for non-professional courses and 6.5% of seats for professional courses.

Applicants who wish to claim this reservation should submit their applications through CAT- MGU and qualify themselves in the Entrance Test. These candidates will also be considered for the general allotment if no seats are available in EBFC Reservation category. For the same reason they should not submit separate application for the general allotment. If eligible candidates for EBFC Reservation are not available all such vacant seats shall be converted to Open Merit seats. If the number of seats in a University Department for a programme is very small, all the seats for the different programmes in a Department are pooled together to calculate the EBFC reservation seats. If a candidate is allotted in the EBFC category he/she should compulsorily submit BPL certificate issued by the concerned authority at the time of Counselling.

**b) Teacher Quota (for M Ed only):** One seat is reserved as Teachers Quota. Teachers who are working in Govt./Aided Colleges/Schools on a regular basis at the time of notification only are eligible to be considered for admission under this category. (Certificates countersigned by AEO/DEO/DD to be furnished at the time of admission).
